December 2025

Whenever possible – get on the trails! Lions Valley, Dundas Valley, Chedoke...if the trails are in good condition, and there is no ice under foot, get out there! In January and February, I have your longer runs on the roads with the group on Sundays, so that you always have support.

IF the trails allow it, you can switch the days for your longer runs in those months to be on the trails. As of March, you're out there as much as possible!
